

Let's Make Parliament Work!

**Rally for a
Coalition Government Now!**

Thursday, Dec. 4 · 7:00pm

Mundy Pond Road, St. John's

**Speeches by officials from the:
Liberal Party of Canada &
New Democratic Party of Canada**

The Conservative government introduced an Economic and Fiscal statement last week that fails to provide relief for workers, or any measures to get the economy back on track. It also threatens to roll-back our rights.

We need a government that shows leadership - that recognizes the economic crisis, invests in jobs and in people, and that respects human rights.

Let's make parliament work. Let's support a coalition government that will get us through this economic crisis.
